GRADUATE COLLOQUIUM

Wednesdays, 13-15 (FIM Tea to follow)

Hermann Weyl Zimmer (HG G43, ETH Zentrum)

Speaker:	**Stefan Hainz**
Title:	**Introduction to Contact Geometry**
Date:	Wednesday, January 21st

Abstract: Contact geometry is very often considered as the odd-dimensional twin brother of symplectic geometry. We will first talk about basic properties of contact manifolds. Based on this there will be an introduction to classification-results in dimension 3.
